We Deliver the World to Your Business

Statement of Copyright ©

Creative Design Solutions, et Al, is the legal and lawful owner of this web site. Creative Design Solutions (CDS), a veteran owned small business, primarily provides services related to website and graphic design, website publishing, Search Engine Optimization S.E.O., website monetization, Internet advertising, general website maintenance and other related functions.

All forms of media, whether video, graphic, interactive, aural or textual, in all current and future formats, present on all CDS managed or owned Internet domain(s), are proprietary or licensed to CDS or our client(s). Proprietary and licensed media is hereinafter collectively referred to as, 'Intellectual Property.'

Intellectual Property includes, but is not limited to: Logos, graphics, videos, trademarks, logo tag lines, original text, mottoes, icons and iconic images, color groupings, artistic themes, web site design, navigational structure, web site layout and key word groupings. The only exception to Creative Design Solutions' claim of Intellectual Property ownership is limited to information/media recognized to be in the 'public domain.' Intellectual Property is protected by United States and International Copyright © Law.

Unauthorized reproduction or use of CDS Intellectual Property, regardless of form, from this or any other Creative Design Solutions manages/owned Internet domain(s) or publication(s), is strictly forbidden, without the expressed, written permission of a duly appointed Officer of Creative Design Solutions. Unauthorized reproduction or use of Creative Design Solutions Intellectual Property will be considered an infringement upon United States Federal and International Copyright © Law protection.

Unauthorized reproduction of CDS Intellectual Property will be pursued to the legal limits of the law, in order to recover both material and immaterial damages on behalf of CDS and any CDS client(s) concerned. Damages may include, but are not limited to: brand, reputation, lost revenue, reduced/hindered revenue generating capacity and reasonable legal fees.

Creative Design Solutions reserves the right to 'electronically block' or deny access (to any/all CDS managed or owned Internet domains) to any person, persons, groups or entity, at any time and for any reason, as deemed necessary, at the sole discretion of Creative Design Solutions.

Sincerely,

Creative Design Solutions
